

Leading Teams

Lead your team to high performance

OVERVIEW

Participants leave this course with an approach to team building tailored to meet the needs of their organisation, their team, their own leadership practice and their current situation. Learn how to apply a range of practical tools that help to build team cohesion and team performance.

Understanding Your Team

- Interpreting the type of team you lead
- Analysing individual traits in your team
- Conducting a review of your team's health

Setting Goals and Expectations

- Setting team goals and individual work tasks using the SMART approach
- Communicating expectations and standards of work

Giving Effective Feedback

- Recognising opportunities for feedback
- Giving effective positive and constructive feedback
- Ensuring feedback is used to motivate, support and develop people

Building Team Performance

- Selecting Critical Success Factors for team performance to suit your situation
- Identifying the key areas for improvement to teamwork in your team
- Effectively build team trust
- Choosing tactics and everyday practices to build team performance
